Student Assistant (m/f/d) for Outreach and Communications

Dear Students,

we at HeiGIT are currently looking for a student assistant for Outreach and Communications. Your Task will mostly be content creation for our blogs and social media.

Other PR-related tasks may also be part of your job.

The main working language will be English.

Expertise (may be beneficial but is not a requirement):

- Experience with or interest in Social Media (Twitter, LinkedIn, Mastodon), blogging or journalism
- Background or interest in geography, environmental topics, GIScience, or computer science
- Fluency in written and spoken English
- Fluency in written and spoken German (optional)
- Flexibility and independence

Benefits:

- Flexible working hours
- Insights into working with GIS applications
- University-related work for a charitable purpose

Please contact Elena Mercantini via *team-support@heigit.org*. We are looking forward to your application.

We are happy to answer any further questions you may have.
