Based on a novel published in 1960 by Harper Lee, this movie tells the story of a childhood in a sleepy Southern town and the crisis of conscience that rocked it. It views a world of great beauty and savage inequities through the eyes of a young girl, as her father - a crusading local lawyer - risks everything to defend a black man unjustly accused of a terrible crime. It is renowned for its warmth and humor, despite dealing with the serious issues of rape and racial inequality.
