to meet Professor David Wilson
(University of Illinois, Urbana-Champaign).**

ABOUT THE MOVIE

The 2022 movie „Elvis“ portrays the life and musical career of Elvis Presley (Austin Butler) and the complicated relationship to his manager, Colonel Tom Parker (Tom Hanks). The story covers 20 years of their collaboration, from Elvis‘ discovery to his unparalleled rise to become the „King of Rock‘n‘roll“, 20 years in which not only Elvis‘ life but the whole American cultural landscape massively changed.
